## Conocimientos Previos

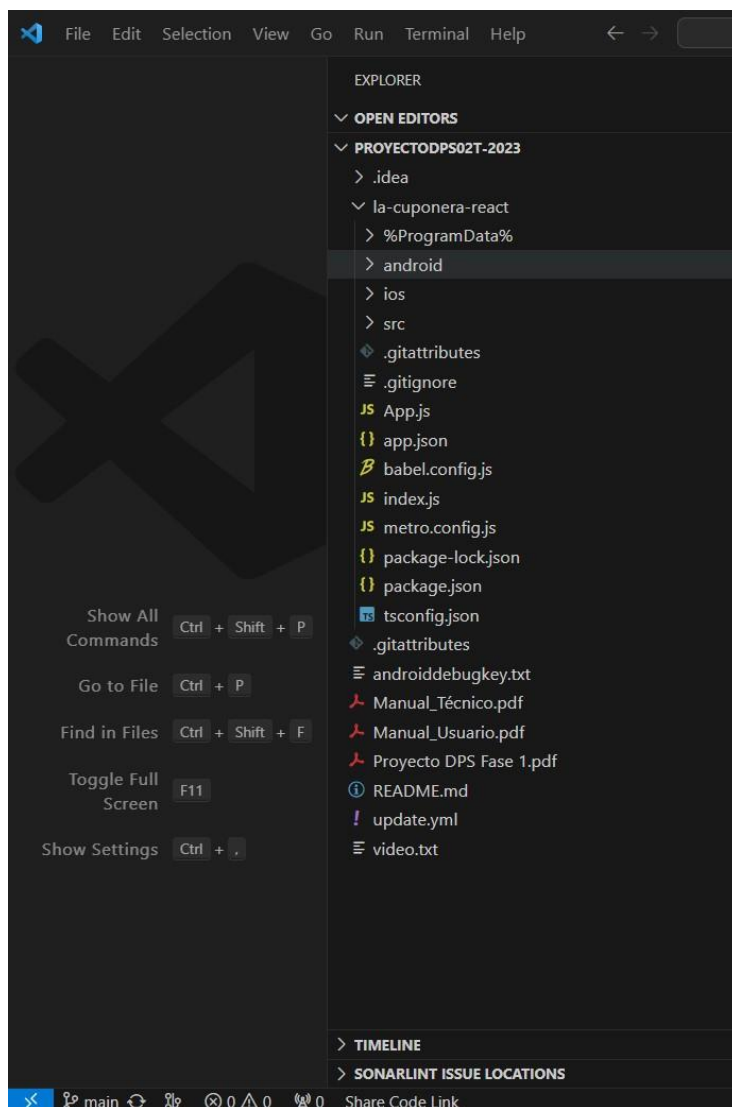

- Conocimientos en React-native
- Conocimientos en Javascript
- Conocimientos en Firebase

## Requisitos de desarrollo

- Android Studio
- Firebase
- Android SDK

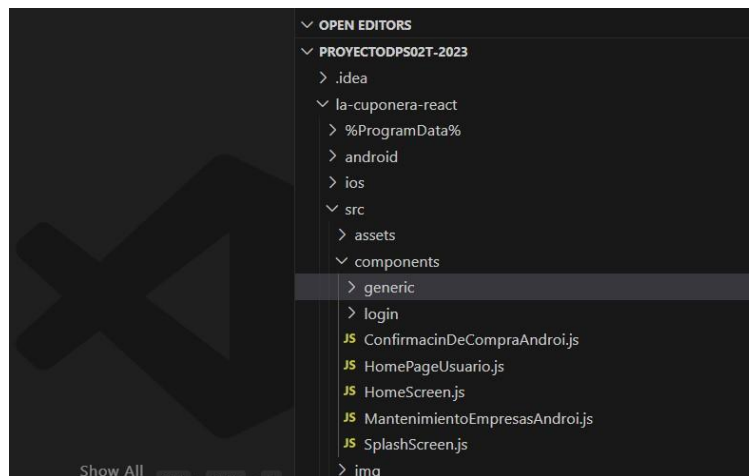

## Estructura

Ide de proyecto:

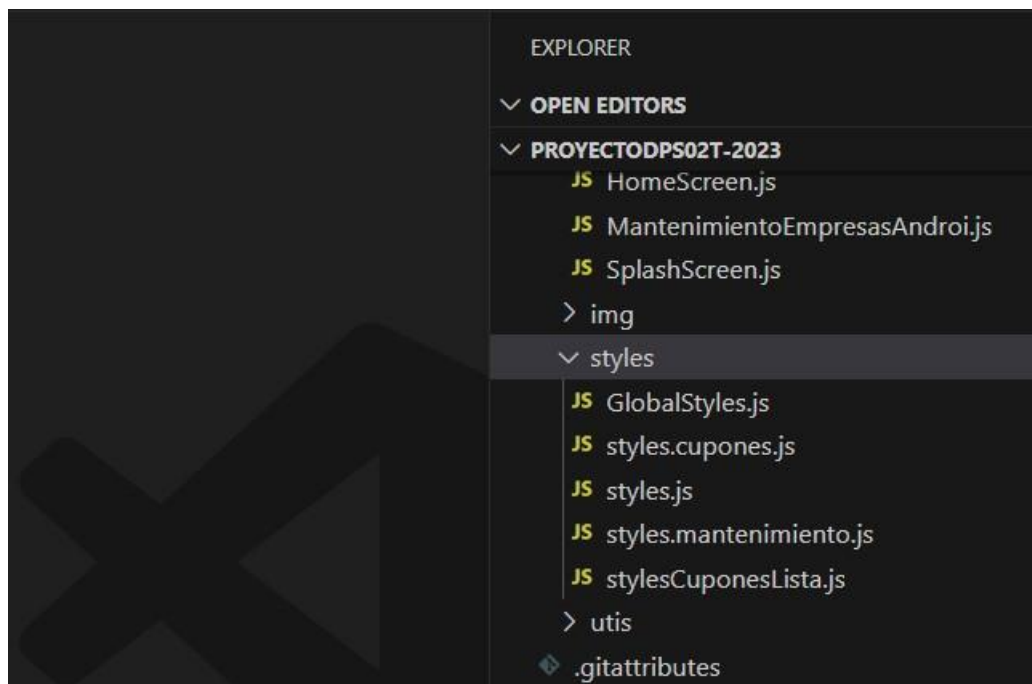

## Vistas (Screens)

En esta carpeta se encuentran almacenadas todas las vistas desarrolladas y que son usadas dentro de la aplicación:

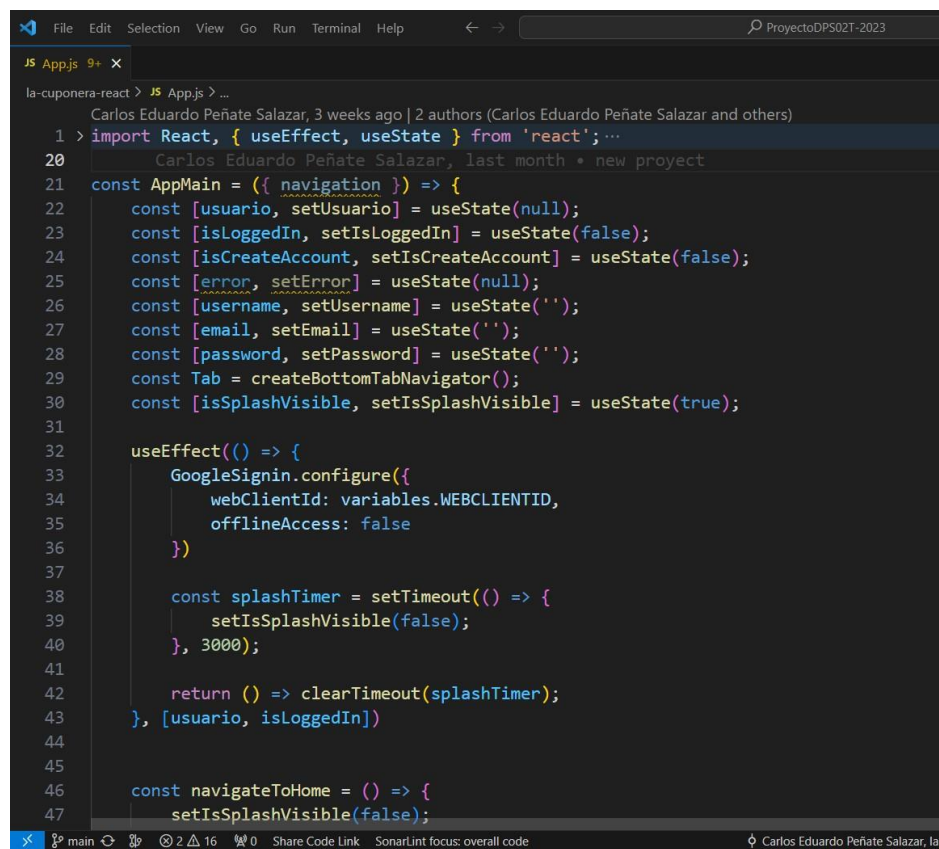

## Estilos

Aquí se encuentran las hojas de estilo que se han usado a lo largo del desarrollo de la aplicación:

## App.js

En este archivo es en el que se desarrolla la aplicación y por medio la cual se hace la llamada hacia las demás pantallas:

```
1 > import React, { useEffect, useState } from 'react'; ...

The image shows a screenshot of a Visual Studio Code editor window. The top menu bar includes File, Edit, Selection, View, Go, Run, Terminal, and Help. The search bar at the top right contains the text "ProyectoDPS02T-2023". The editor has a tab titled "JS App.js 9, M". The breadcrumb navigation shows the path: "la-cuponera-react > JS App.js > AppMain > loginBase". The code is written in JavaScript and is as follows:

```
162 auth.signInWithEmailAndPassword(username, password)
163   .then((userCredential) => {
164     console.log(userCredential);
165     setUsuario(userCredential);
166     setIsLoggedIn(true);
167   })
168   .catch((e) => {
169     console.log(e);
170   });
171 } catch (error) {
172   console.log('Something else went wrong... ', error.toString())
173 }
174
175
176
177 async function createAccount() {
178   console.log("CREATE ACCOUNT, usuario " + username + " email " + email + " pass " + password);
179
180   auth.createUserWithEmailAndPassword(email, password)
181     .then((userCredential) => {
182       console.log(userCredential);
183       setUsuario(userCredential);
184       setIsLoggedIn(true);
185       setIsCreateAccount(false);
186     })
187     .catch((error) => {
188       console.log('Something else went wrong... ', error.toString())
189     });
190
191 }
```

The status bar at the bottom displays the following information: "main\*", "2 9", "0", "Share Code Link", "Blackbox", "SonarLint focus: overall code", "Carlos Eduardo Peñate Salazar, 3 weeks ago", "Ln 173, Col 10", "Spaces: 4", and "UTF-8".
